May and November of each year equals the product of the following:

(1) The amount of the certified distribution for that month; multiplied by

(2) A fraction. The numerator of the fraction equals the sum of the following:

(3) The ordinance may be made irrevocable for the duration of specified lease rental or debt service payments.

(h) In a county having a consolidated city, only the consolidated city is entitled to the certified distribution, subject to the requirements of sections 15, 25, and 26 of this chapter.

(4) This subdivision does not apply to a county in which the additional county economic development income tax under IC 6-3.5-7-28 has been imposed or to any municipality in the county. The transfers required by this section may be made from any local revenue (other than property tax revenue) of the county or municipality, including excise tax revenue, income tax revenue, local option tax revenue, riverboat tax revenue, distributions, incentive payments, or money deposited in the county's or municipality's local major moves construction fund under IC 8-14-16.

 11 constructing, improving, reconstructing, or renovating one (1) or  
 12 more projects, or the cost of refunding or refinancing outstanding  
 13 bonds, for which the bonds are issued. The cost may include:

 35 article unless the development authority first finds that each  
 36 contract for the construction of a facility and all buildings,  
 37 facilities, structures, and improvements related to that facility to
